Sir:

In proofreading the above-identified patent as printed, the following errors were noted:

Column 1, lines 39-41, please delete "EP-A-0 008 424 discloses star shaped desulfurization catalysts. Highly porous star shaped catalysts, having a good mechanical strength are not disclosed."; and

Column 1, lines 51-52, please delete "The FIGURE is a photograph showing two views of an extrudate."

Since these errors do not appear to affect the sense of the text, a Certificate of Correction is not believed necessary. It is requested, however, that this letter be included with the official application file for record purposes.

Respectfully submitted,

Cornelis Roeland Bayense, et al.
